CIRCULATION.

The Dully Press of Memphis.

the APPRAL's returns will be

OFFICIAL JOURNAL OF THE CITY.

THE New York counterfailing scoundrels are still at their work, sending

consumption, and, as a lie which is worth making, is equally worth telling, they are prompt to give it the widest possible circulation.

THE error should not be allowed to juror is to declare the truth, as beyond fair and reasonable doubt he believes it to be shown by the proof in the cause. He is sworn to say, after hear- der in the first degree, accompanied made and proof furnished to the world they were instead of the slaver the ing the cause, whether the accused with a recommendation for mercy, that crime in Shelby county will be is guilty or not guilty. He is not Wisener, the other defendant, died avenged. sworn to render the sentence, to exe-during the progress of the long-procute the prisoner, or to withhold any tracted trial, previous to which a misleniency or mercy which may be due trial had been entered as to him. from the Executive of the State. He is sworn as a juror to give such a ver- recommendation for mercy we are undict as in his conscience he believes able to discover from the testimony in accords best with truth. If he believes the accused innocent, he is for-sult of tenderness of feeling and an the accused innocent, he is for-sworn if he finds him guilty. And if he believes him guilty, he is forsworn he believes him guilty, he is forsworn any consequences not strictly involved ing through the plny woods region of if he declares him innocent. And no in their duty to declare the guilt or bonest man's conscience will be satisfanced of the accused. There a trap near a hole in the ground, Ridned with rendering a false verdict besed with rendering a false verdict because the consequence may be the infliction of a penalty for which the Legislature and the faw alone are responsible. We think it would be better that they should truthfully declare any. The jury have done their duty asked the centleman. "Creck him?"

Bill called forth the following: the disposal of thieves and robbers.

THESDAY MORNING. : : : FEB. 21, 1871 one hundred thousand votes, was obone hundred thousand votes, was ob-noxious to the third section of the Fourteenth Amendment to the Consti-worthy of his established fame as an to the sun in half an hour by a machine, turned over to the sun in half an hour by another, AT THE bead of the columns of a paper printed on Jeffenson street, which it will not be necessary for us to advertise, appears a statement which is utterly false, as showing its present circulation. We advertise the public of that falsehood, which it has the brazen audicity to construct the hard of the columns of a paper but to the Constitution. Of this opinion also were the Judges elect themselves, together with the bar of Tennessee generally. Three of these gentlemen have been proceeded against by quo accurantly, and efforts are now being made to inspect the hard of the columns of a paper to the sum in the raked in the power, and has couple of hour the crop is find the columns of a paper to the sum in the power, and has couple of hour the crop is finded nothing wanting to the defense but testimony, which no amount of talent or ingenuity could supply. And and efforts are now being made to inand efforts are now being made to indict them, if it be not already done at

their missiles out as feelers to every man throughout the country whose name can be obtained. A correspondent calls our attention to one to-day, and we have received several, as well at rest the slander that they are violators of any public law. It is well tage was sought or taken by him, no for paying his taxes? Under what and we have received several, as well laters of any public law. It is well tage was sought or taken by him, no for paying his taxes? Under what as seen numerous others. We see no known that, in addition to the gen-specious argument used, no sophistry system did his fences tumble down reason why the persons who are flooding the mails with these infamous of the persons who are flooding the mails with these infamous of the persons who are flooding the mails with these infamous of the persons who are flooding the person who are flooding the persons who are flo pardoned by the President long before propositions to sell counterfeit money at New York should not be identified, nor any why, if detected, the authorities should not put a stop to it. A sneed that he was indicted, arraigned and tried for the alleged treasonable candid to the last degree. During the has no need for inside fences, that to have presented man would sell you that he has no need for inside fences, that to have presented in the present has pasture lands is to destroy the grass sharp preventive remedy should be acts of which he is now again accused; applied to these sharp rascals.

applied to these sharp rascals.

and tried for the anged treasonance progress of this triat, the press has acts of which he is now again accused; that upon his trial in the Federal also been silent, except in giving a he knows nothing about the business of court of Memphis in 1865, and before progress of this triat, the press has progress of this triat, the press has acts of which he is now again accused; that upon his trial in the Federal also been silent, except in giving a he knows nothing about the business of grass lots and even public farming; that he should have fields in the press has acts of which he is now again accused; that upon his trial in the Federal also been silent, except in giving a naked report of facts, and even public farming; that he should have fields in the press has acts of which he is now again accused; that upon his trial in the Federal also been silent, except in giving a naked report of facts, and even public farming; that he should have fields in the press has acts of which he is now again accused; that upon his trial in the Federal also been silent, except in giving a naked report of facts, and even public farming; that he should have fields in the press has a progress of this trial, the press has a progress of the pressure and the pressure a THE Providence Journal says: "The testimony before the Select Committee of the Senate on the condition of the Pourteenth tee of the Senate on the condition of the President, and upon that relatively of the President, and upon to the humane maxim of the law that the South is most disheartening—sickening. There are regions where extermination seems to be the fixed

and discharged by the jury.

As to Judge Nelson, we scarcely

to the humane maxim of the law that it is better ninety-and-nine guilty men should escape than that one innocent a farm of six hundred acres, four him man should suffer. Never were there policy of the ruling party, where know upon what grounds his politiunion men are not as safe as they were during the war, and where the Ku-Klux is the dominant power, and the remainder in grain and corn. He employs but six hands constantly, never was there a verdict more completely companied by the proof. As Ku-Klux is the dominant power, and civil war, have occasion to know that omitting nothing of their duty, the neighbor with the one thousand acres nothing can resist its might. What is the remedy, it is not easy to determine, but of the lamentable fact there is no doubt at all." We find this reproduced in the twin-brother of the Journal, the Washington Chronicle. Journal, the Washington Chroniele.
We suppose these papers have full license to look behind the curtain and see all the deviltries their Congressional brothers are concocting. They othern institutions-by which the

dignity of the State by an extraordi

sponsible. We think it would be better for the ends of public justice if attorneys and courts would keep as conscientious and honest men, and asked the gentleman, "Cutch him!" attorneys and courts would keep the se distinctions more clearly before hanging the funceent boy School of the South is somewhat like that of THE Democratic members of Congress are carrying the war into Africa. guilty of a murder whose atroe- husbandry, objected to by our friend They are lashing the Radicals on Ity could not be exceeded, and which "Burnt Baby," and to show that it is every occasion with merciless severity. The Army and Apppropriation circumstances whatever. They knew good farming in every country in the Bill called forth the following:

Mr. Brooks, of New York, said he trumped up against him, of stealing no money and are "out of meat." To Mr. Brooks, of New York, said he was going to do what he had never done before—oppose the whole army hanged him, and they knew as well bill. He would do it now because the bill. He would do it now because the army was perverted by the President of the United States. The army, that he had killed negroes and stolen but to make money. The true practical man will endeavor to thoroughly of the United States. The army, that he had killed negroes and stored which had hitherto acquired its hon- borses, and had threatened to burn understand his business (no ma ors and glores at Yorktown, Saratoga the town of Cuba. They had a moand Chapultepec, or in the Wilderness, and endeavor to make every cent from it must have been one of the strongest, possible. If he finds this or that unsuppossible, and mainly used, was now used, and mainly used, for electioneering purposes either in and which may never come to light. profitable (impracticable) he will the Scothern or Northern States of It may have been a decire to bush in abandon it and do otherwise. Now the Southern or Northern States of It may have been a desire to bush in it occurs to me that we have faiththe Union. So long as the army was used, or could be used, for any such purpose never, so help him God, never, under any circumstances, would be vote a dollar for its support.

The words of some previous crime. The only question arising in the case was, not whether the cold-blooded hanging the blob respect which all members of some Schodold was nowder in all The high respect which all members of young Schofield was murder, in all no further; but turn about and diswere bound to express, if not feel, for the United States forbade him to express that depth of indignation which he felt against him trators. To this there was the direct proveremment that the viscous forbade him to express that depth of indignation which he felt against him trators. To this there was the direct provered men teach and discover some other method of employing our capital (lands) which will prove remnied men teach and discover some other method of employing our capital (lands) which will prove remnied to express, if not feel, for the United States to the discover some other method of employing our capital (lands) which will prove remnied to express, if not feel, for the United States to the discover some other method of employing our capital (lands) which will prove remnied to express that depth of indignation which he felt against him in an election, dared use cannon testimony of Hines, an accomplice, ionary men will not agree with. Like and bayonets to threaten or slaughter who was present, alding and abetting, broken-down gamblers, they still his (Brooks') constituents at the mere and whose testimony was corrobors hope for skind deal. caprice of maisinals and supervisors, the wery ted in every essential particular by the most wretched outcasts, the very ted in every essential particular by soils of West Tennessee were rich when seethings and soum of the cauldron in New York. No language could express the indignation which he felt at him, or them, who had put the army white, who ran up and partially without they are now greatly impoverished. I might say very bady burchered up. or the United States on election day at nessed the crime, was also substanting the discount of this was and cobbars tight corresponded. And threats and run down and almost destroyed; tially corroborated. And threats and that in consequence of this bad treat-Mr. Jones, of Kentucky, offered an declarations on the part of Graves ment our lands have but little real amendment, requiring that the titles and Poston were proved on them, dispatably in the United States. He which could leave no doubt of about this condition? was it done by practical or impractical properties of the could be proved by practical or impractical properties of the could be proved by practical or impractical properties. disputably in the United States. He said he had reference particularly to Arlington, and was prepared to show that the title to that property was not in the Government, but Mrs. Mary Custis Lee. He defended Senator Mc-Creary, of Kentucky, from the charge of having, in the resolution offered by him in the Senate on that subject, in-

of having, in the resolution offered by him in the Senate on that subject, intended any disrespect to the defenders of the Government. If was beneath the dignity of the Government to deposit the romains of any soldler is ground not owned by the Government and by an undisputed title. The person owning property owned it from the center of the earth up to heaven, and therefore had the right to have every encumbrance removed from it.

The subject, intended any disrespect to the defenders of the defenders of the defenders of the defenders of the Government to deposit the romains of any soldler is ground not owned by the Government and by an undisputed title. The person owning property owned it from the center of the earth up to heaven, and therefore had the right to have every encumbrance removed from it.

The alibi was attempted, and resulted in making their situation worse, as is likely to be the case every encumbrance removed from it.

The alibi was attempted, and resulted in making their situation worse, as is likely to be the case every encumbrance removed from it.

The alibi was attempted, and resulted in making their situation worse, as is likely to be the case every encumbrance removed from it.

The metabolic making or saving manure; who never plowed deeper than two inches; who never produced a pound of meat for sale, except by mere accident. Under this system, I say, they have succeeded in destroying the wealth of the soil, and yet they are held up as practical men, whose teachings and examples are worthy of being followed. Our friend tells us a function of the word soiling and who never produced a pound of meat for sale, except by mere accident. Under this system, I say, they have succeeded in destroying the wealth of the soil, and yet they are held up as practical men, whose teachings and examples are worthy of being followed. CARBOLIC SALVE.

The important discovery of the CARBOLIC ACID as a CLEANSING, PURIFYING, and HEALING Agent is one of the most remarkable results of modern medical research. During the late civil war it was extensively used in the Hospitals, and was found to be not only a thorough disin-fectant, but also the most won-derful and speedy HEALING REMEDY ever known. wit is now presented in 8 scientific combination with other soothing and healing agencies, in the form of a SALVE; and, having been al-ready used in numberless cases

with most satisfactory and beneficial results, we have no hesi-tation in offering it to the public as the most certain, rapid, and effectual remedy for all Sores and Ulcers, no matter of how long standing, for Burns, Cuts, Wounds, and every ABRASION of SKIN or FLESH, and for Skin diseases generally. Sold by all Druggists. Price 25 cents.
